## Exclusion

For treatment listed as an exclusion there is no benefit payable and members will incur significant out-of-pocket expense for these services. Please review the exclusions on this cover and always check with CBHS Corporate Health to see if you are covered before receiving treatment.

## Restricted benefits

The services listed as restricted benefits when provided in a private hospital, are eligible for Minimum Default Benefits prescribed by Private Health Insurance legislation. These benefits relate to hospital bed charges and are unlikely to cover the fees charged for a private hospital admission. Members may incur large out-of-pocket expenses for theatre.

## Excess

An excess is the amount you pay towards the cost of your hospital admission before any benefit is payable. By paying an excess you can reduce the cost of your Hospital cover. You can choose from one of these excess options available - \$250, \$500 or \$750. (Note: \$0 excess option closed to new members and existing members changing cover)

If you choose an excess, it means that when you go into hospital (same-day or overnight) you will pay the chosen excess amount directly to the hospital. The excess is only payable once per person up to a maximum of twice per couple/family membership per calendar year. Excesses do not apply to any dependants on the policy.

## Ambulance

Silver Plus Hospital includes cover for emergency ambulance services when transported directly to hospital or treated at the scene due to a medical emergency. Transport must be provided by a State Government ambulance service or a private ambulance service recognised by CBHS Corporate Health (e.g. Royal Flying Doctor Service). Residents of WA are also eligible to claim a benefit for non-emergency ambulance transport services up to a maximum of \$5,000 per person per calendar year.

*Residents of Queensland and Tasmania are covered by their state based Ambulance schemes.*

- ✓ Covered in private agreement hospitals and public hospitals.
  - R Restricted benefits.
  - Additional services covered above the minimum requirements.
  - ✗ Exclusion (not covered).
  - Indicates benefits for accommodation at Minimum Benefits in relevant PHI (Benefit Requirements) Rules and prostheses benefits based on items listed by the Minister of Health. No benefit for medical or theatre costs.
- A Benefit is not payable in respect of a service that was rendered to a Member if the service can be claimable from any other source.*

## What are pre-existing conditions and why are they important?

A pre-existing condition is defined as an ailment, illness, or condition where the signs or symptoms existed at any time in the period of six months ending on the day on which the person became insured by a policy. It is the opinion of the CBHS Corporate Health appointed doctor that determines whether the signs or symptoms were in existence in the six-month period. However, when making the determination, CBHS Corporate Health's doctor will have regard to any information provided by the member's doctor.

If you have a pre-existing condition, a waiting period of 12 months will apply before we will pay hospital or medical benefits towards any treatment for that condition.

Also, where a member upgrades their cover, they must wait for 12 months to be covered for pre-existing conditions.

## Waiting periods

SERVICE	CALENDAR MONTHS
Pre-existing conditions (except for hospital psychiatric services, rehabilitation and palliative care)	12 months
Hospital psychiatric services**, rehabilitation and palliative care	2 months
Accidents***, emergency ambulance transport	1 day
All other treatments	2 months

\*\* Once you have served the two-month waiting period, you can choose to upgrade your cover (once in a lifetime) and access the higher benefits for hospital psychiatric treatment associated with that cover, without serving an additional waiting period.

\*\*\* Accident means an unexpected or unforeseen event caused by an external force or object resulting in an injury to the body which requires treatment by a medical practitioner, Hospital or dentist (as the context requires) but excludes pregnancy.

^Accident related treatment means treatment provided in relation to an Accident that occurs after a Member joins the Fund and the Member provides documented evidence of seeking treatment from a Health Care Provider within seven days of the Accident occurring. If Hospital Treatment is required, the Member must be admitted to a Hospital within 180 days of the Accident occurring. Any additional Hospital Treatment (after the initial 180 days) will be paid as per the level of Benefits payable on the Member's chosen level of cover (if applicable).

## Keep your non-student dependants covered

This product provides an option to keep your non-student dependants under 31 years of age, on your cover, providing they meet the non-student dependant criteria. An additional contribution amount will apply. More information is available at [cbhscorporatehealth.com.au](http://cbhscorporatehealth.com.au).

## Going into hospital

- Check if your hospital has an agreement with CBHS Corporate Health
- Obtain a quote from your treating doctor/surgeon

## Access to private hospital

CBHS Corporate Health holds agreements with an extensive range of Australian private hospitals and day surgeries. These agreements ensure hospital fees including bed fees, theatre and labour ward and intensive care fees are covered when admitted as a patient to hospital (subject to your level of cover).

For charges incurred in a non-agreement hospital members may only receive benefits similar to a public hospital **shared room rate** which can result in substantial out-of-pocket expenses. Should you choose a hospital that holds an agreement with CBHS Corporate Health, you reduce, if not eliminate, out-of-pocket expenses for hospital fees.

To check if your hospital holds an agreement, visit our website at [cbhscorporatehealth.com.au](http://cbhscorporatehealth.com.au) or contact Member Care on **1300 586 462**.

## Claiming your benefits

### Non-admitted medical services

Claims for medical services provided in a hospital, day surgery, private emergency facility or doctors rooms as a non-admitted patient must be submitted directly to Medicare only. These services include, but are not limited to imaging, blood tests (pathology) and specialist/doctor consultations.

### Hospital claims

Hospitals will bill CBHS Corporate Health directly. If you are required to contribute to your admission (for example you have selected to pay a co-payment or excess and are admitted for a restricted or excluded service) you will be required to pay this directly to the hospital. Please check with the hospital whether you have to pay this upon admission or if they will bill you.

## Admitted hospital medical services\*

We pay up to 25% of the Medicare Benefits Schedule (MBS) fee, while Medicare pays the other 75%. If charges are more than the MBS fee, then a gap payment arises.

MEDICARE BENEFITS SCHEDULE FEES	
75% covered by Medicare	Up to 25% covered by CBHS Corporate Health

Services that do not attract a benefit from Medicare will not incur any benefits. This means that you may face significant out-of-pocket expenses for both hospital and medical services.

- Doctors will give you an account for their services. Take this account to Medicare first
- Complete a Two-Way form in order for Medicare to forward your claim to CBHS Corporate Health for the Fund benefit to be paid

\* A member will incur substantial out-of-pocket expenses if they are not entitled to Medicare benefits (i.e. Non-Australian Residents).

## Access Gap Cover

Many people admitted to hospital as private patients can find themselves faced with out-of-pocket expenses, or 'gaps'.

Access Gap Cover (AGC) is a medical gap cover arrangement designed to minimise or eliminate out-of-pocket expenses for medical procedures conducted in hospitals or day surgery facilities as an admitted patient.

### Advantages of Access Gap Cover

As a patient, you will receive an estimate of doctors fees prior to your treatment

- Doctors may claim directly from CBHS Corporate Health on your behalf (including the Medicare benefit)
- No more Medicare queues

Go to [cbhscorporatehealth.com.au](http://cbhscorporatehealth.com.au) or more information on Access Gap Cover or to search for Access Gap Cover participating doctors.

Doctors using Access Gap Cover will usually bill CBHS Corporate Health directly. CBHS Corporate Health claims the Medicare benefit on your behalf and sends payment, including the Medicare and Fund benefits, directly to your doctor. If your doctor sends the account to you, please forward it on to CBHS Corporate Health, clearly identifying it is to be claimed through Access Gap Cover. **Do not take accounts to Medicare first.**
